Discover Your Nature

Disney FROZEN

THE OFFICIAL MAGAZINE

Earth, wind, fire, and water are the four natural elements that make up our world. Anna, Elsa, and their friends meet the spirits that represent these elements as they seek to uncover the mysteries of the past.

In this issue of **Frozen, the Official Magazine**, it's not only the natural world that you'll be discovering; you'll also be learning more about your favourite characters and their different journeys. Let's turn the page and join in the excitement.

Nature Explorers

Our Frozen friends are setting off to explore the forest so they can learn more about nature and the wildlife that lives there.

PATH FINDERS

Kristoff has the map and is working out the best route to take to the forest. **DO THE MATH CALCULATIONS** and then find the shortest path by connecting **NUMBERS** from **1 TO 10**.

WOODLAND CREATURES

It's a perfect day for spotting animals. There's a lot to learn from watching them. **LOOK** at the first row of animals. **CHECK OFF** those that are different in the other rows.

WHO'S THERE?

Olaf met a furry new friend when he was looking through the undergrowth. There is one piece missing from this picture of the groundhog. **CHECK OFF** the correct piece.

Peaceful Nature

Elsa and her friends have been on many exciting adventures, but sometimes they also like to relax and enjoy the beauty of nature around them.

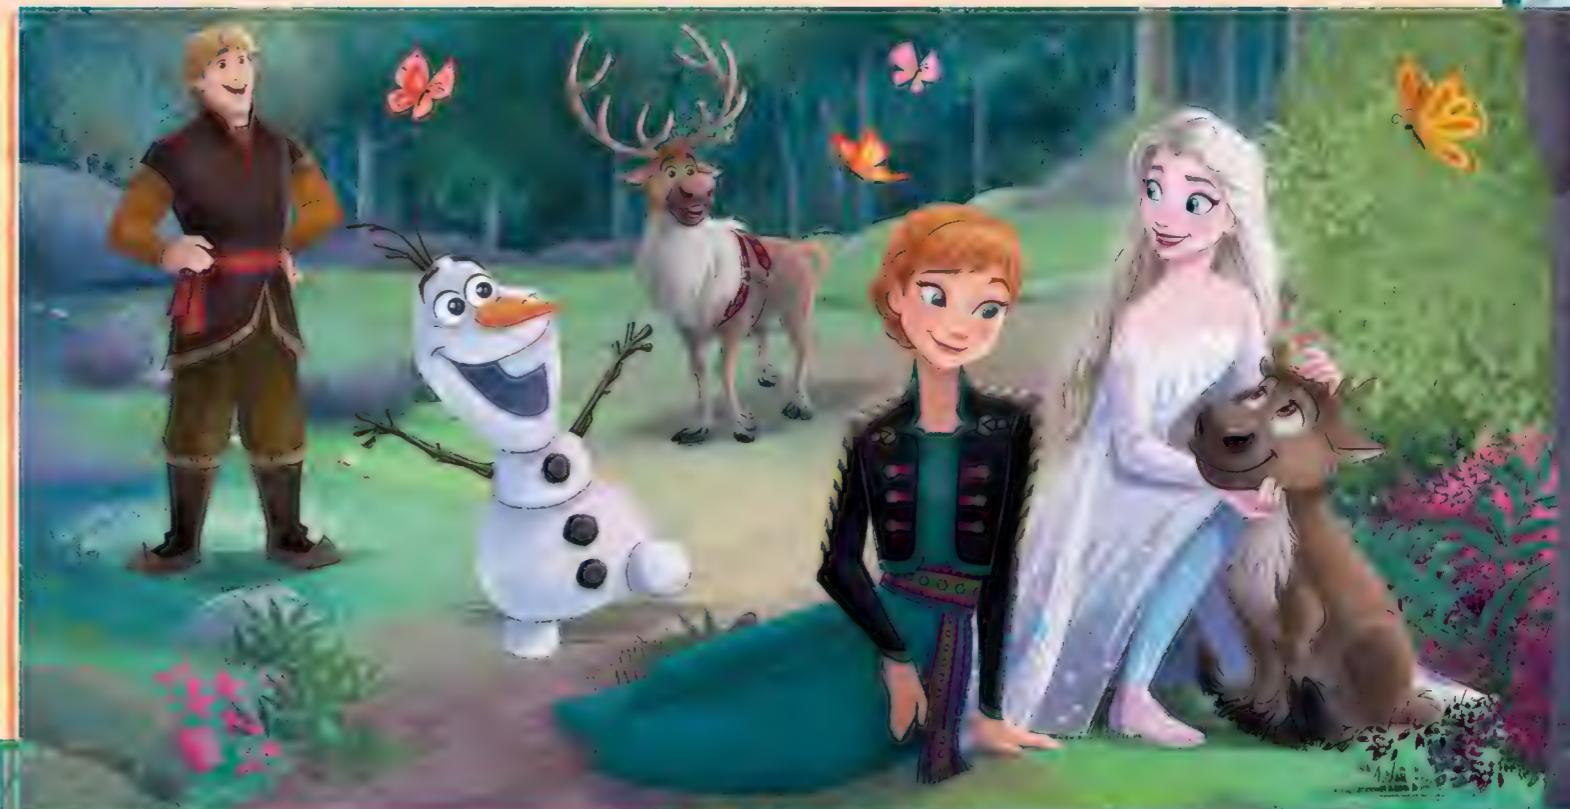

INNER CALM

Elsa is connecting with nature on her walk. She can feel a sense of stillness around her. COLOR this peaceful picture using the colored dots to help you.

EXPLORING TOGETHER

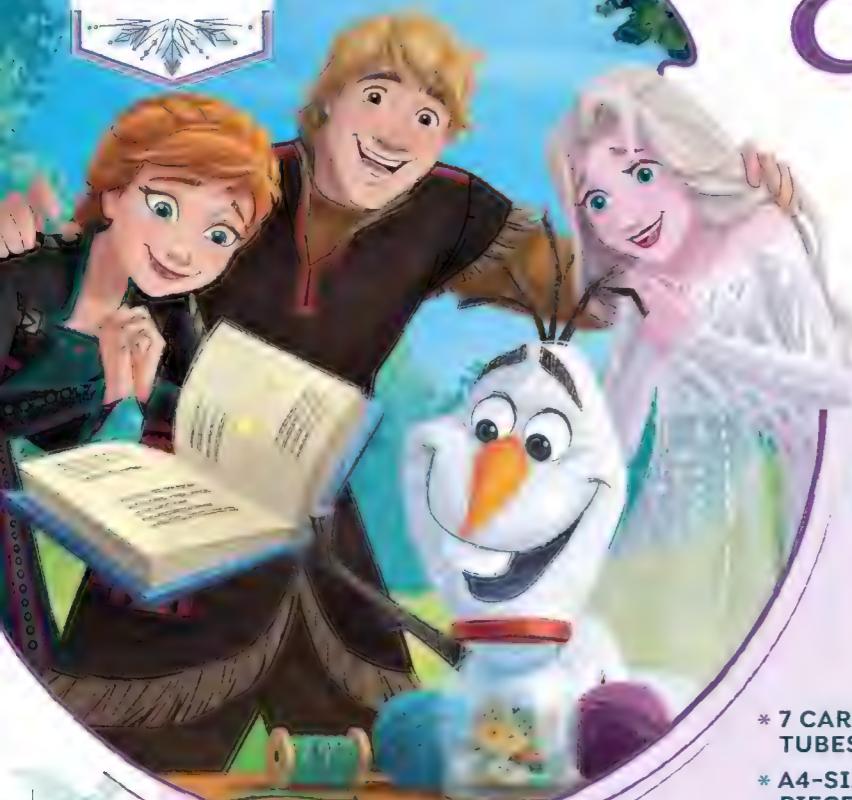

Our Frozen pals are enjoying their nature walk. They've even met a new friend! CUT OUT the characters from the inside back cover. LOOK at the top image for 30 seconds, then COVER it. Now GLUE the characters on the empty bottom scene in the correct order.

ANYTHING OUT!

Bring together the powers
of the elemental spirits with
this natural desk organizer.

You'll Need

ASK AN
ADULT
FOR HELP!

TRIM the tubes so that there are two tall ones, three medium-sized ones, and two small ones. **CUT** some flaps at the bottom of each tube and fold them toward the inside.

PAINT the tubes as you like and then **CUT OUT** the characters on the right-hand page.

APPLY the glue with a brush and **STICK** a character on each tube according to their size.

STICK ON natural elements, like flowers and petals, for extra decoration. Now **GLUE** the folded flaps onto the cardboard to fix the tubes.

Water Power

The Water Nokk is the Water Spirit. It is a fierce fighter and was Elsa's toughest challenge during her journey in search of Ahtohallan. She had to use her power and her inner strength to face it.

WATER WARRIOR

COLOR IN the Water Nokk using different shades of blue watercolors so it looks like it is emerging from the waters.

DARK WATERS

COLOR the water drops the correct shades of blue to fill the grid. There can be only one of color shade in each column and row.

ICE POWER

CUT OUT the ice and snowflakes from the inside back cover. **STICK** them in order of size, from smallest to biggest, going from Elsa to the Water Nokk to help her reach it.

Finding
Your Truth

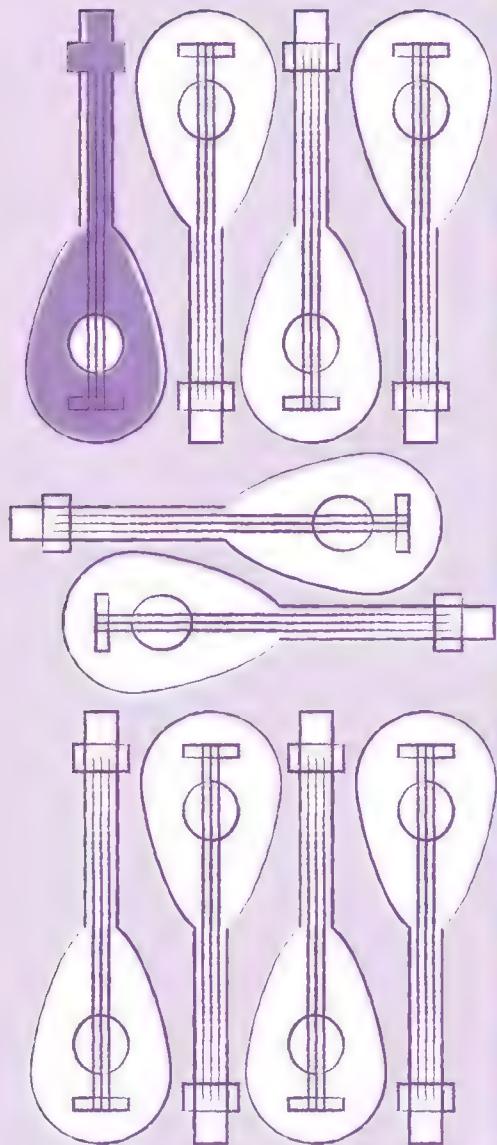

Drifting Off

Kristoff's soothing lute music by the cozy fire is helping the elemental spirits and our friends fall asleep at the end of a long day.

CALMING MUSIC

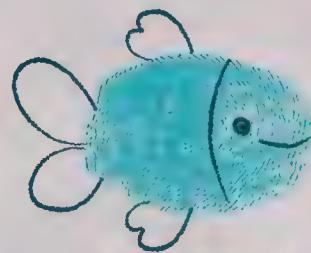

SPOT 10 differences between these two pictures, and **COLOR** a lute when you find each one.

Fingerprint Friends

Anna has come up with a new way of remembering all the animals she spotted on her nature walk. Can you help her turn these fingerprints into different animals?

The End

Embrace Yourself

Anna and Elsa know that it's important to be true to yourself. They have helped Freya understand that, too. Let's play this game and rediscover who our Frozen friends really are.

HOW TO PLAY

This is a game for **TWO TO FOUR** players.

CUT OUT the counters, the character tokens, and the die from the inside back cover.

GLUE them to cardstock and **TRIM** to fit. **ASSEMBLE** the die and **STACK** the tokens next to the game board.

TAKE turns rolling the die and moving the number of spaces shown. When you land on a space with a picture of a character, **READ** about what makes them unique and **COLLECT** a token with their picture on it. Whoever collects one of each character token first is the winner.

The Strength of Earth

The Earth Giants are one of the four elemental spirits. They are made of rocks and are very strong allies that helped Anna and Elsa bring back peace to Arendelle.

A WARM BED

Even Earth Giants need to be comfortable when they sleep. Lucky for them, they have friends to help them collect moss for their bed.

PLACE this scene back in order. WRITE the correct numbers in the circles.

A SOOTHING DRINK

Elsa has been making a special drink for her Earth Giant friends with some herbs from the forest. She needs to use lots of bowls, cups, and mugs, as she doesn't have giant bowls! MATCH the pairs so each giant gets two drinks.

The Power of the Wind

Gale, the Wind Spirit, can often be found swirling around the castle courtyard. Although sometimes it is mischievous, it is often very helpful.

GALE HAS ARRIVED!

FIND the small details below in the big picture. CHECK a circle each time you spot one. Watch out for any intruders!

FLYAWAY BONNET

Gale is being a little cheeky and has blown someone's hat off their head! PUT these other missing hats in order of size from biggest to smallest. WRITE the correct numbers in the circles.

A BOOKWORM

Gale is having some fun with Olaf, too, and keeps flipping the pages of his book! COUNT how many books the snowman has in this scene.

A cartoon illustration of the Green Giant vegetable character. He is a large, green, anthropomorphic vegetable with a round face, a wide mouth showing white teeth, and short black hair. He is wearing a purple, textured garment. In his right hand, he holds a large, green, irregularly shaped vegetable, possibly a turnip or a head of broccoli. The background is plain white.
